PRINTED BY REQUEST.

Mix the following by shaking well in a bottle, and take in tea spoonful doses after meals and at bedtime:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. A local druggist is the authority that these simple, harmless ingredients can be obtained at nominal cost from our home druggists.

The mixture is said to cleanse and strengthen the clogged and inactive kidneys, overcoming Backache, Bladder weakness and Urinary trouble of all kinds if taken before the stage of Bright's disease.

Those who have tried this say it positively overcomes pain in the back, clears the urine of sediment and regulates micturition, especially at night, curing even the worst forms of bladder weakness.

Every man or woman here who feels that the kidneys are not strong or acting in a healthy manner should mix this prescription at home and give it a trial, as it is said to do wonders for many persons.

The Scranton (Pa.) Times was first to print this remarkable prescription in October, of 1906, since when all the leading newspapers of New York, Boston, Philadelphia, Pittsburgh and other cities have made many announcements of it to their readers.

It is surprising to strangers to find Egyptian families occupying some of the tombs which have been excavated and abandoned. It seems uncanny to see babies playing cheerfully about the doors of the tomb houses and to watch chickens running in and out as they do at the mud dwellings. When questioned about the tombs a dragoon said that those occupied as homes had been tombs of ordinary citizens and were of no value as a show place for tourists. As some of them have several rooms extending into the rocks, and as they are cool in the hottest days of summer and warm in the cool days of winter, they are altogether desirable homes. The Egyptians do not share the horror of dead bodies felt by Europeans. Children run about with pieces of mummies and if they cannot dispose of them to tourists they play with them. A mummified foot or hand is so common in Luxor that one may be purchased for a few cents.—Leslie's Weekly.

Everybody loves our baby, rosy sweet and warm. With kissy places on her neck and dimples on her arms. Once she was so thin and cross, used to cry with pain—Mother gave her CASCASWEET, now she's well again. Sold by Chas. C. Davis.

The United States Supreme Court, in an opinion by Justice Harlan, reversed the decision of Judge A. M. J. Cochran, in the case of William Adair, The Court held that Adair, as master mechanic of the Louisville & Nashville Railroad Company, had a right to discharge an employee because he was a member of a labor organization, just as it was the employee's right to quit such employment because of his membership in such organization. Such a course, the decision added, might be unwise, but, regarded as a mere matter of right, there could be no doubt. Congress could not authorize a violation of contracts under the guise of protecting interstate commerce.

RESOLUTIONS OF RESPECT.

ASHLAND LODGE, No. 640, Mt. Vernon, Ky., Jan. 27, 1908. Whereas, it has pleased the Great Creator of the Universe to call Brother John Calhoun Childress from life on earth to rest and immortality in the Grand Lodge above, where the Supreme Grand Architect of the Universe presides. Brother John C. Childress was born in 1838 at Stickleysville, Va., moved to this county in 1889 where he has since lived; was made a Master Mason in Johnson's Lodge at Stickleysville in 1865; demitted to this Lodge in 1890 and has since been a member of this Lodge in good standing. If a cough once gets into your system it acts on every muscle and fibre of the body and makes you ache all over. It especially effects the intestines and makes you constipated, so in order to get rid of a cold thoroughly and without delay you should not take anything that will tend to constipate. Kennedy's Laxative Cough Syrup acts upon the bowels and thereby drives the cold out of the system. It contains no opiates—it is pleasant to take and is highly recommended for children. Sold by Chas. C. Davis.
